How Should You Plan Your First Trip to Japan?

第一次去日本，行程怎麼排？

One base, two day trips

一個住宿點，兩趟當日往返

Illustrative scene · 情境示意

Tokyo
東京

Stay near a station that works for the trips you will actually take.
先看會搭哪些車，再挑轉乘順的住宿站。

Yokohama
橫濱

The Yokohama guide gives about 25 minutes by JR from Tokyo Station. Check the time for your chosen line and train.
橫濱觀光指南估計從東京站搭 JR 約 25 分鐘。實際車程依所選路線與班次查詢。

Kamakura
鎌倉

From Tokyo Station, allow about 60 minutes one way by JR Yokosuka Line.
從東京站搭 JR 橫須賀線，單程約 60 分鐘。

Choose the hotel first

先定住宿再排行程

Walk it

先看步行

Check the station exit, hotel entrance and the walk with luggage. A station name alone does not tell you which side to use.

核對飯店入口、對應站口及拖行李的步行路線。只看站名，容易走到車站另一側。

Compare

比較轉乘

Measure door to door. Include walking inside the station and any change of train.

用飯店門口到目的地的實際時間比較，算進站內步行與轉乘。

Arrival

抵達日

Leave time for check-in. If travelling early, ask the hotel in advance whether it can store bags.

抵達日先留入住時間。若提早到，可先向飯店確認能否寄放行李。

Day trip to Yokohama

橫濱當日往返

Illustrative scene · 情境示意

Outbound

去程

From Tokyo Station, look for a JR Yokosuka Line train that stops at Yokohama. Confirm the platform in the station.

東京站看 JR 橫須賀線，確認當班停橫濱站，再按站內顯示找月台。

On arrival

到站

Choose the exit according to your next stop. Keep the city visit together so you do not repeatedly cross the station.

依下一站選出口。把市區景點集中排，少走重複的車站通道。

Return

回程

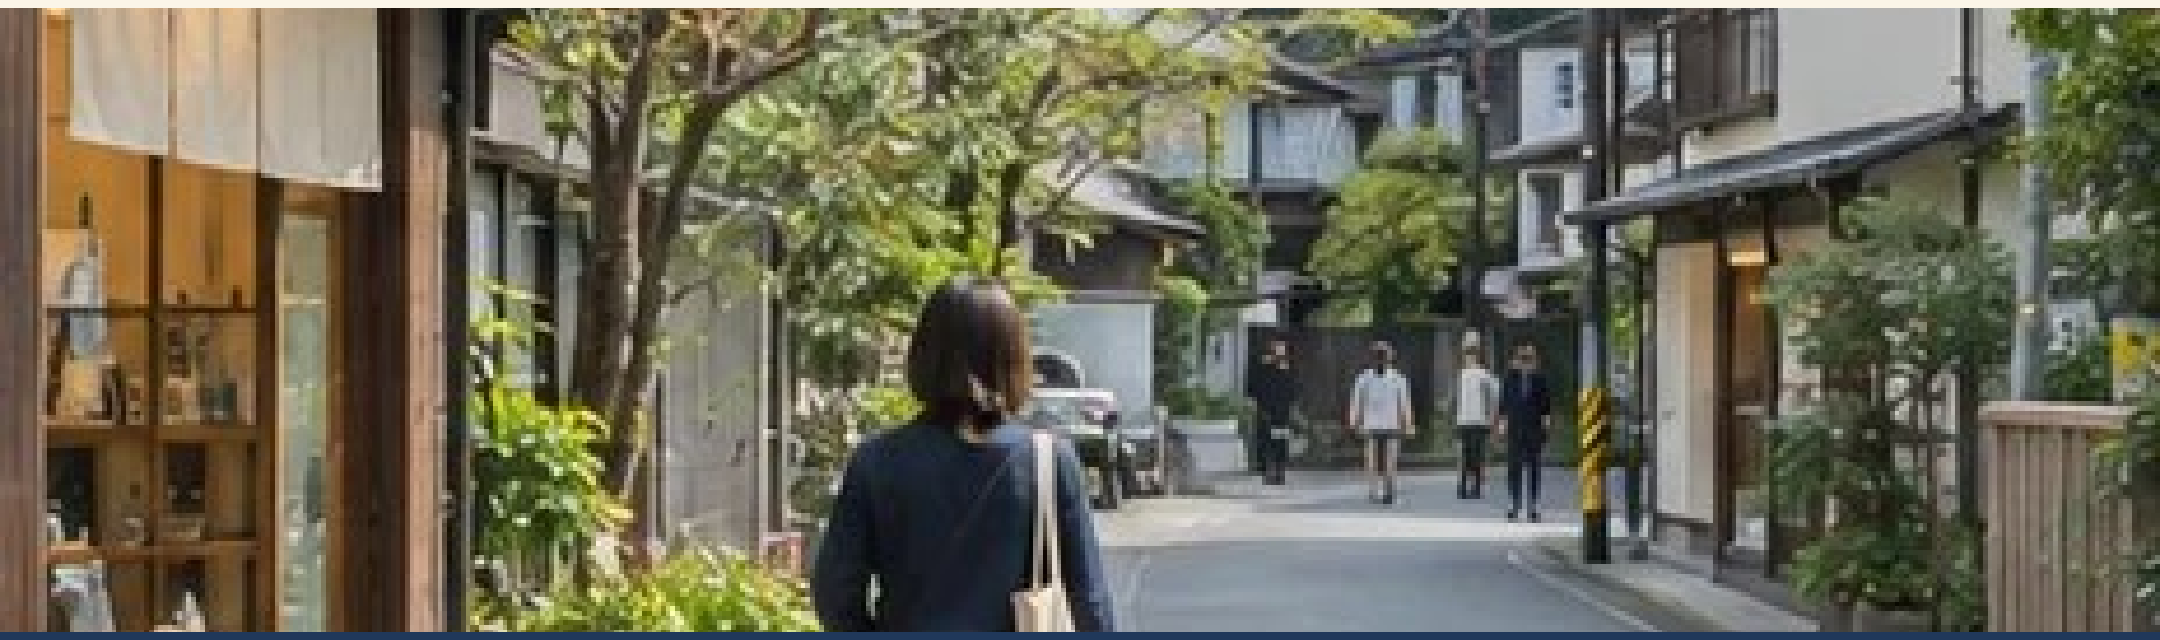

Save the return direction, and include station walking and waiting time in the plan.

存好回東京的方向，另外預留站內步行和候車。

Day trip to Kamakura

鎌倉當日往返

Illustrative scene · 情境示意

Outbound

去程

Check for a JR Yokosuka Line service stopping at Kamakura. Keep the trip to one area if you have only a short window.

核對 JR 橫須賀線列車有停鎌倉。可用時間少，就先逛一區。

When busy

人多時

Allow extra time on weekends or seasonal peak days. Keep one optional stop you can drop.

週末或旺季預留時間，另標一個可以取消的備選點。

Return

回程

Before leaving the hotel, save the evening service from Kamakura back to Tokyo.

離開飯店前，先存好晚上從鎌倉回東京的班次。

Build a flexible first stay

安排有彈性的首訪

Arrival day

第一天

Check in, eat nearby and walk the area. Use the evening to confirm tomorrow’s rail platform and destination.

先入住、在附近用餐散步，晚上核對隔天的月台與下車站。

Full day

完整的一天

Pick one primary trip. Use the other city as an alternative or visit it on a different day.

一天先選一個近郊主目的地，另一城留作備案或另排一天。

Swap

改行程

On a rainy or tiring day, shift the outing and keep your room as the base.

下雨或累了，可對調近郊行程，住宿點照樣保留。

[1] [2] [3]

Save this trip checklist

把這份清單存起來

Before booking

訂房前

Save the hotel address, station exit and approximate walking route.

存下飯店地址、對應出口和步行路線。

Before boarding

上車前

Confirm the service stops at the station you want. Save both return options.

確認當班有停目標站，並存兩個回程選項。

Time basis

時間範圍

Trip times are examples between stations. Waiting, walking and transfers are additional.

圖中為站到站的列車時間範例，候車、步行與轉乘另計。

Choose a station for your first stop

用第一個景點選下車站

Kamakura shrine walk

鎌倉參道

Take the JR Yokosuka Line to Kamakura. Tsurugaoka Hachimangu lists a 10-minute walk from the East Exit.

搭 JR 橫須賀線到鎌倉站。鶴岡八幡宮標示從東口步行約 10 分鐘。

Yokohama waterfront

橫濱港邊

For the Red Brick Warehouse, change to the Minatomirai Line at Yokohama. At Bashamichi use Exit 6. The venue lists about 6 minutes from the station.

若要去紅磚倉庫，在橫濱站轉港未來線，到馬車道站走 6 號出口。場館標示從車站步行約 6 分鐘。

A longer waterfront walk

多走一段港邊

Another route to the warehouse starts at JR Sakuragicho. Follow the former railway promenade, Kishamichi, for about 15 minutes from the station.

也可從 JR 櫻木町站前往紅磚倉庫，沿舊鐵道改成的「汽車道」步行，從車站約 15 分鐘。
